Embassy Suites by Hilton announced the opening of the newly-built Embassy Suites by Hilton San Antonio Brooks Hotel & Spa, currently the only full-service hotel on the south side of San Antonio.

The new property is located at 7610 South New Braunfels, part of the former Brooks Air Force Base, just 11 minutes from Alamo and downtown San Antonio and 25 minutes from the San Antonio International Airport. Both business events and special gatherings can be hosted at the property.

The hotel is part of a redevelopment of the former 1,700-acre military base into a live, work, learn and play community. The project called for the restoration of the historic Hangar 9 building, the oldest wooden aircraft hangar of its kind still in its location. Guests can check in at one of the 156 suites that feature a separate living room with sofa sleeper, a work desk and a wet bar area with mini-fridge, microwave and coffeemaker. Visitors can dine at Nineteen17 Restaurant and Bar, a farm-to-table venue, and relax at the PureSol full-service spa that offers standard spa treatments and a therapeutic salt cave for inhalation therapy. Additionally, the hotel has over 20,000 square feet of meeting and event space and includes multiple meeting rooms.

"We are excited to bring Embassy Suites by Hilton to the area, where we know our guests will enjoy our impressive list of amenities like our full-service spa, outdoor swimming pool, sunning area and state-of-the-art fitness center," Patricia Conant, general manager, Embassy Suites by Hilton San Antonio Brooks Hotel & Spa, said in prepared remarks. *"Our hotel's warm atmosphere mixed with its ideal location make it the perfect choice for business and leisure travelers alike."*
