Miami's popularity is often associated with South Beach, but according to Expedia, many of the most popular hotels can be found elsewhere in the city.

USA TODAY asked Expedia to review its data to determine the 20 most booked hotels in Miami and other key U.S. destinations.

The most in demand hotel is an airport hotel: Miami International Airport Hotel

Half the most popular hotels were at or near the airport.

The 20 most popular hotels in Miami, according to Expedia

The Embassy Suites by Hilton Miami International Airport is the 12th most in demand hotel in Miami, according to Expedia. [Expedia](#)
